Approval of Minutes

1. Action: The minutes of the meeting of 10 May 1951 (IAC-M-30) were approved.

Appraisal of Foreign Economic Intelligence Requirements, Facilities, and Arrangements Related to the National Security  
(IAC-D-22)

2. Action: Approved the proposal to establish an Economic Intelligence Committee, composed of representatives of the IAC members, subject to the modifications suggested by the State Department and the Air Force. These changes are reflected in the redraft of paragraph 10 of TAB A distributed with these minutes (IAC-D-22/1). It was understood that, in accepting the changes proposed by the Air Force with respect to the language of paragraphs 3, 4, and 5 and the new paragraph 8, wherever possible the members of the IAC will delegate to their representatives on this committee the right to speak for them, in order to avoid the burden of submitting all of the papers of the Economic Committee to the IAC. Adjustment will be made with respect to the inconsistency between the proposed Director's letter to the NSC wherein it refers to an Economic Committee and the proposed NSCID which does not contain such reference.

3. Action: Approved the proposed NSCID, it being understood that paragraph 4(b) is included in order to provide for those occasions where, by mutual agreement, several agencies wish to request the CIA to undertake centrally a responsibility normally discharged in part by each.

Current Developments in Iran (SE-6)

4. Action: Approved as revised.

Vulnerabilities of Communist China (SE-5)

5. Action: Final consideration postponed.
